

On behalf of the **New England Mopar Club** and the executive board, I would like to take a moment and say thank you and offer appreciation to the many people at *Mark's Cruise Night* who helped make last night such a success for **New England Mopar Club Night**.

We would like to send a special thank you to Mark, for housing such a wonderful event; we look forward to coming every time. Also, I would personally like to extend special thanks to Joe Amenta for acting as my communicator to get this special night for us to happen as well as thank the team effort of all of the volunteers who dedicate themselves to this event every Monday. All involved in this ongoing event from the volunteers to the owner himself are exceptional people who make sure everything goes smoothly from the time we enter to the time we leave the vicinity. It is people with this kind of dedication and teamwork that continues to have a successful event year after year for many to come.

Thank you and we look forward to seeing you again next year!

Sincerely,
